If you have any questions you may contact Mr. Loyiso Gura on [lgura@ska.ac.za](mailto:lgura@ska.ac.za).

Yours Sincerely,

Ms. Kim de Boer  
Head: Human Capital Development  
South African Radio Astronomy Observatory

The South African Radio Astronomy Observatory (SARAO), established in 2017, is a National Facility of the National Research Foundation. SARAO manages South Africa's activities in the Square Kilometre Array Radio Telescope and the African Very Long Baseline Interferometry Network, the design, construction and operation of the MeerKAT Radio Telescope, the Hartebeesthoek Radio Astronomy Observatory, and the associated Human Capital Development and Commercialisation Programmes. - [www.ska.ac.za](http://www.ska.ac.za)
