BID INVITATION NOTICE

The South African Radio Astronomy Observatory (SARAO) spearheads South Africa's activities in the Square Kilometre Array Radio Telescope, commonly known as the SKA, in engineering, science and construction. SARAO is a National Facility managed by the National Research Foundation and incorporates radio astronomy instruments and programmes such as the MeerKAT and KAT-7 telescopes in the Karoo, the Hartebeesthoek Radio Astronomy Observatory (HartRAO) in Gauteng, the African Very Long Baseline Interferometry (AVN) programme in nine African countries as well as the associated human capital development and commercialisation endeavours. Information about the project is available from www.ska.ac.za.

Tenders are hereby invited for the supply and installation for the alterations and additions to the existing fire safety components to suit new double story office layout including smoke detection, sprinklers, statutory signage complete in accordance with the standards and specifications as laid down by the fire engineer's drawings.

Sealed tenders marked, BID REFERENCE: NRF SARAO SCTO 002 2018 Supply and installation for the alterations and additions to the existing fire safety components to suit new double story office layout including smoke detection, sprinklers, statutory signage complete in accordance with the standards and specifications as laid down by the fire engineer's drawings, must be placed in the tender box at SARAO Pinelands 3rd Floor, The Park, Park Road, Pinelands, Cape Town, 7405 on or before 11:00 on 2 May 2018.
